Holy Saint Madan Maharaj Rajasthani, the founder of Shree Shanidham Trust consoled members of family of Santosh who died few days back in Jodhpur Hospital. She was the only earning member in her family. She had five daughters, one husband and old in-laws. After her death family was in dire poverty. Whole family needs were getting fulfilled only by the income of Santosh.

Shree Shanidham Trust adopted three kids of Santosh. One of six years, second of four years and third of two years. All members of her family agreed to this proposal. Daati Maharaj
